Redesigned. Still free.

**Meeting notes that
stay on your
laptop.**

Ask first. Then record.

Both sides of the call. No bot joins.

Optional: copy this and paste it into your meeting chat, then wait for everyone's OK.

Hi, I'd like to record and transcribe this meeting for notes — is everyone OK with that?

 Copy message

I have informed the participants and have their consent.

Confirm & start recording

Then, the minutes.

Decisions and action items, on your laptop.

Action items

- ☐ **LB** **Luca Bernasconi** Update the phase 2 schedule — by Wednesday
- ☐ **CR** **Claire Rochat** Send the geotechnical report — by Thursday
- ☐ **MD** **Marc Dubois** Revise the client quote — by Friday
- ☐ **AK** **Anna Keller** Organise the site visit — next week

Weeks later, ask.

Answers come with their sources.

When is the geotechnical report due?

Claire Rochat will send the geotechnical report on Thursday [1]. Anna asked for it before the site visit [2].

[Hide sources](#)

Phase 2 kickoff · Claire Rochat 6:13–6:17

Et je vous envoie le rapport géotechnique jeudi.

Site visit planning · Anna Keller 2:08–2:14

We need the soil report before we walk the site.
